*** The documents, which contain such information, that the Bank is able to receive from the available information databases shall not be required from the Client (if there is the consent of the Client (in case of private entrepreneurs) or the Client's competent person to receive or process that information).**

GENERAL PROVISIONS

1. The Bank may request additional documents and information from the Client upon the necessity.
2. If there is no indication of the term, including proper validity of the document, then no expiration date is set for those documents.
3. The clients must submit the originals of all documents unless there is a note on the possibility of submitting a copy, or properly certified copies of the documents.
4. All documents submitted by non-resident legal entities or individual entrepreneurs must be duly validated. Moreover, due validation is considered:
 - 1) validation by a notary public (unless a document is issued by a state body) and/or by an apostille and/or certification by a competent body of the given state, or
 - 2) ratification by the diplomatic mission or consular institution of the Republic of Armenia in the territory of another state.

The document must be certified by an apostille if it was issued in one of the countries that have ratified the Hague Convention (List of countries at the following link: [Convention member countries](#)).

Exceptions are Russia, Belarus, Georgia, Ukraine, Kazakhstan, Kyrgyzstan, Moldova, Turkmenistan, Tajikistan, Uzbekistan, with which the Republic of Armenia has other international treaties, based on which documents submitted by the Client are acceptable without apostille certification. In the case of the mentioned countries, all documents must be submitted with a validation of a notary public (unless the document is provided by a government body).

5. The identification documents of natural persons specified in this list of documents submitted by non-resident legal entities or individual entrepreneurs (including the beneficial owner) may be submitted in a photocopied version (improperly certified) if any properly certified document submitted by the Client contains the data of the certifying document, that is comparable to the submitted copy.
6. The bank may request notarized translation of foreign language documents.
7. The document(s) that the Client submitted to the Bank and as of the date of opening the bank account, they are available in the Bank and are valid, may not be required at the discretion of the Bank.
8. In order to open a bank account and to perform transactions through the account:
 - 1) The requirements for the power of attorney are defined by the Rules,
 - 2) No power of attorney is required if the account transactions are performed by the manager authorized by the founding documents,
 - 3) A power of attorney is required in the order defined by the Rules, if the manager authorized by the founding documents transfers his/her authorities for performing transactions through the account or opening a bank account to another person,

4) In case of acting on the basis of a power of attorney the authorized person must present his/her identity document, and in case of RA citizens the Public services number (PSN) or a reference on not having a PSN will also be required.
